Construction Announcement

Dear Faculty, Staff, and Students:

The “Seismic Reinforcement and Exterior Wall Repair Project for 2nd Student Dorm” is scheduled to begin exterior wall repairs in phases starting November 13, 2025. The initial phase will involve exterior wall cleaning on the east and west sides (adjacent to EE and 3rd Student Dorm), starting from the rooftop and proceeding downward. Subsequent phases will include cleaning and spray coating of the remaining exterior walls. During the process, water mist or paint particles may drift or fall. Faculty, staff, and students are advised to secure personal belongings and exercise caution when walking or driving near the work areas. We apologize for any noise and inconvenience caused.

1. During the execution of the project(Planned) : November 13, 2025 (Thursday) ~ April 30, 2026 (Thursday).

2. Location : The 2nd Student Dorm.
