TRAIART

About The Miyawaka International Triennale "TRAIART"

The Miyawaka International Triennale "TRAIART" is an international con-temporary art exhibition which is a collaboration between Trial Holdings ,Inc., Miyawaka-City and Center for Designed Futures of Kyushu University, Kyu-shu University Faculty of Design.

Miyawaka-City which is surrounded by beautiful nature and has developed mainly in the automobile industry. For the post-corona era, it will develop the commercial facilities which utilized an abandoned school to invigorate local communities.

The project will bring art by young talented people into the world and will inspire visitors who come to the facilities to think about art.

It is the project which bring young talented into the world and will inspire visitors who came to the facilities to think about art.

We look forward to many applications from artists to applying for our art exhibition.
