National Taiwan University of Science and Technology 2025

Road Running Event Guide

1. Exit the NTUST main gate and cross the road (Keelung Road), turn left towards Roosevelt Road and proceed forward for 400 meters, as shown in the following photo:

2. Continue straight through the intersection of Keelung Road and Roosevelt Road. Pass the traffic lights to the Taiwan Power Company Research Institute, as circled in the image below:

3. Proceed 30 meters to the Tingzhou Road intersection, as indicated by the arrow in the image below:

4. Pedestrians and cyclists at the Tingzhou Road intersection proceed across the crosswalk to the sidewalk (shown in the picture on top), continue straight for 30 meters, then turn right to enter, and turn left after entering, as circled in the image below:

5. Drivers turn right, proceed for 70 meters, then enter at the location circled in the image below.

6. After 70 meters, turn left to enter a toll parking lot. This is not a designated parking area for this road running event, and only the nearest parking information is provided. Payment is required, and there is no guarantee whether parking spaces are available. Enter as shown in the image below:

7. Pedestrians, cyclists, and vehicles will all connect on the path as shown in the image below. Continue forward until you see the brown sign, then Proceed forward.

8. Then proceed to the location shown in the following image and continue straight ahead.

9. After passing the barrier, turn left to arrive at the main stage area of the road running event venue, as indicated by the arrow:

10. The main stage area is as shown in the image below:

11. The image below is the Main stage area and group position map:

12. After registration and warming up, proceed to the competition venue at Riverside Park, as shown in the image below:

13. The red circle indicates the starting and finishing points under the Fuhe Bridge (supply station no. 1), and the yellow circles is the 3 km, 5 km, and 10 km runners' assembly areas (please assemble in front of the sign holders)."

14. 3 km (1.5 km turn-around point and supply station no. 2)

15. 5 km and 10 km (2.5 km turn-around point and supply station no. 3)

Important Instructions as follows:

1. **Chip Timing System:** Each participant's bib is equipped with a timing chip. The timing starts from the mat under the inflatable archway. Participants must pass over the mat at the start, turn-around points, and finish line to ensure their time is recorded. Failure to pass over the timing mat will result in disqualification. The checkpoints are as follows:
Start/Finish (A), 1.5km turn around (B), and 2.5km turn around (C)
 - 3 km racers: A-B-A
 - 5 km racers: A-C-A
 - 10 km racers: A-C-A-C-A
2. **Supply Stations:** There are three supply stations located at the 1.5 km and 2.5 km turn-around points, and at the start/finish line. Supplies include bananas, soda crackers, and water. Reusable silicone cups are provided.
3. **Medals and Prizes:** Completion medals will be awarded as soon as participants cross the finish line. After collecting their medals, participants should proceed to the prize area to collect a meal box and a 50th-anniversary souvenir. The top six winners should wait in the prize area to receive their awards and collect gift vouchers (collected before 10:00 AM on the day of the event; unclaimed items will be returned to the school).
4. **Safety Reminder:** As the race venue is an open area, it will be accessible to non-participants and cyclists. Participants are urged to be mindful of their own safety. If any participant feels unwell, they should immediately seek medical assistance at the medical station and not continue the race.
5. **Safety Reminder:** The race will proceed as scheduled in case of rain. Please keep warm! The event organizers will provide disposable raincoats. If needed, participants may collect one from the event organizers.
